[REDACTED] - Commo Facility

25X1A

1. [REDACTED] Local Officer, called at 1445 on 9 May 1969.

He was inquiring as to the status of the Chief of Station message concerning this facility that was sent down here a week or so ago. (This message questioned the necessity for the project). [REDACTED] was wondering if the message was ever answered. 25X1A

2. Pending your return, he said he would do a little checking with the Commo area staff and possibly Commo Engineering since the design is essentially up to Commo.
